

Consultant Rotas and Job Planning – Out of hours telestroke service

1. Which of the following rotas is your preference?

- Split weekend into Fri/Sun/Separate Saturday cover
- Saturday/Sunday cover
- Trust cover Friday/Saturday/Sunday

Additional comments:

.....

2. What start time do you feel is the most appropriate for the service, taking into consideration that the on-call Consultant must be able to assess the patient within 15mins of the call and travel to and from home must be allowed for?

- 5.00pm
- 5.30pm
- 6.00pm

Additional comments:

.....

3. What time do you feel is the most appropriate to finish the service, allowing for travel arrangements?

- 8.00am
- 8.30am
- 9.00am

Additional comments:

.....

4. As the laptop will be fixed to the Consultant's home address only, will you require a work PC to be modified to access the remote telecart and Burnbank IEP?

YES NO
